

BAVARIA 34 CRUISER

BAVARIA YACHTS

BAVARIA 34 CRUISER

The new 34 Cruiser is proof that you get more with a Bavaria - 35' 2" LOA to be exact. Increased interior volume provides a larger entertaining area while still allowing for a big L-shaped galley and a navigation table. Large cabins, a head that supplies a wet locker for foul-weather gear storage, ample natural light and ventilation all add up to an extremely livable yacht down below. The experienced sailor will be impressed by the above decks as well. The cockpit has been designed to allow for the best of either relaxing or serious sailing. Whether you choose the fully-battened or the in-mast furling mainsail (either comes standard), the sailing performance will become immediately evident when you take the large leather covered wheel and feel the Bavaria 34 Cruiser respond effortlessly to your every command. An electric swim platform allows for open access to a tender or the standard hot and cold transom shower. All this – so obviously a Bavaria.

- Above deck, the sheets and hal-yards lead to the cockpit, and all winches, including the strategically-placed standard secondary winches, are self-tailing, making the 34 extremely enjoyable to sail.

- The main salon has generous seating and storage space with a large table with leaves that fold down for additional accessibility and comfort.

- The galley's standard amenities include microwave oven, gimbaled two-burner propane stove with oven, double stainless-steel sink, icebox with 12V refrigeration unit and plenty of storage space for cookware and dishes.

- The varnished mahogany interior, fluid floorplan and abundant natural light from the 34 Cruiser's 14 hatches and ports create an open, roomy atmosphere below decks.

- Both cabins have double berths, opening ports and hatches for enhanced natural light and ventilation and ample closet and shelf space.

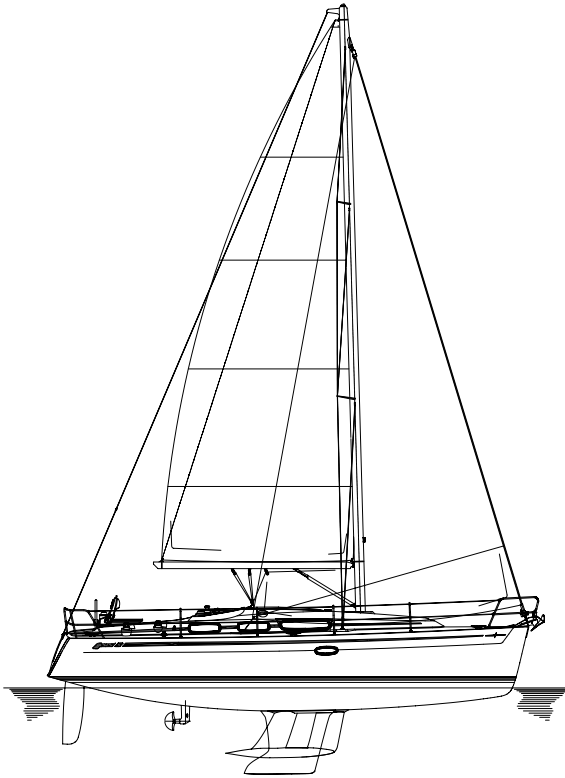

- A hanging locker for foul-weather gear is an added enhancement in the spacious head that also features hot and cold shower, standing headroom and mahogany storage cabinets.

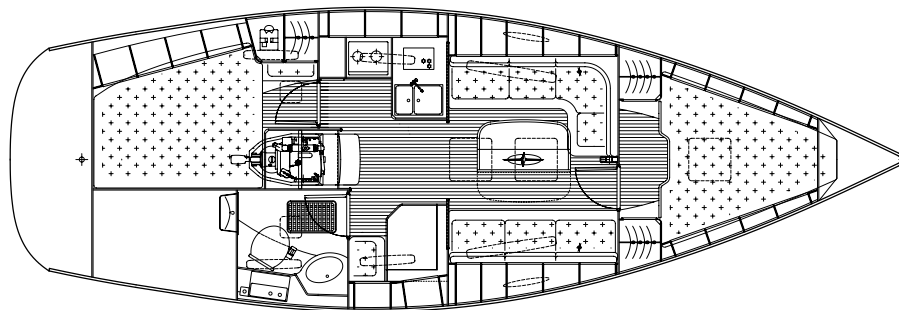

BAVARIA YACHTS

BAVARIA 34 CRUISER

Length overall	35'2"
