BAVARIA 50 CRUISER

Bavaria has a well-deserved reputation for building yachts with truly aesthetic lines, but none engenders the term "WOW appeal" like the Bavaria 50. Regardless of whether you are savoring the amenities of the four- or five-cabin interior layout, enjoying the exhilaration of being on deck during a relaxing afternoon sail, or just standing on the dock watching her sail by, everything about the 50 speaks to pedigree. A powerful yet easily managed sail plan gives the 50 all the performance that the avid sailor could desire. Below decks, the spacious, bright interior will take your breath away. The large galley and a dinette area are ideal for entertaining guests or for intimate evenings at anchor. Take a close look, and you'll agree that the Bavaria 50 stands above all the rest.
