Harmony 52

The arrival of the new Harmony 52, is a luxury blue water yacht to seriously challenge the top end of the market. Innovation and style were the watchwords when Harmony designed the new 52'. The yacht offers performance, build quality, practicality, luxury and value for money. In the hotly contested over 52' market, the Harmony 52 will turn heads and cause a stir. Offering a range of interior layouts to suit owner's preferences and uses, she provides a luxurious and fast passage making blue water boat. She may be specified with either four or five cabin layouts.

Your Harmony 52 can be customised with a range of inclusions to suit your sailing needs, from performance cruising, through to short handed long distance sailing.

Why Choose Harmony?

Over 25M Euro invested in a state of the art factory in La Rochelle, France.

Utilisation of high -tech & fully automated production techniques adopted from leaders in the automobile and aviation industries.

Use of Resin Transfer Moulding (RTM) - both throughout the deck and hull:-

NO OTHER PRODUCTION YACHT USES THIS TECHNOLOGY THROUGHOUT THE ENTIRE DECK & HULL

A clear sail away price, including sails, deck gear & standard electronics.

Choice of interior and exterior finishes Elegance or Esprit including teak cockpit, toe rail and hull graphics.

Sail Away package can be further customised to suit your sailing needs - cruising, off shore racing or short handed sailing

Harmony uses the world's best marine brands ensuring performance and warranty guarantees

Outstanding performance and reviews in Australian boating media

True Off Shore Capability

Proven as a true cruiser racer - winner PHS division Pittwater to Coffs Harbour race 2008 (Harmony 42)

Harmony 42 Winner
overall PHS Division 2008

27th PITTWATER & COFFS HARBOUR
Offshore Series

For the performance minded owner, all Harmony Yachts can be customised with performance options which include: asymmetric, spinnaker, Code Zero, performance deep keel, folding propeller and upgraded deck gear.
