

## Moorings 5800

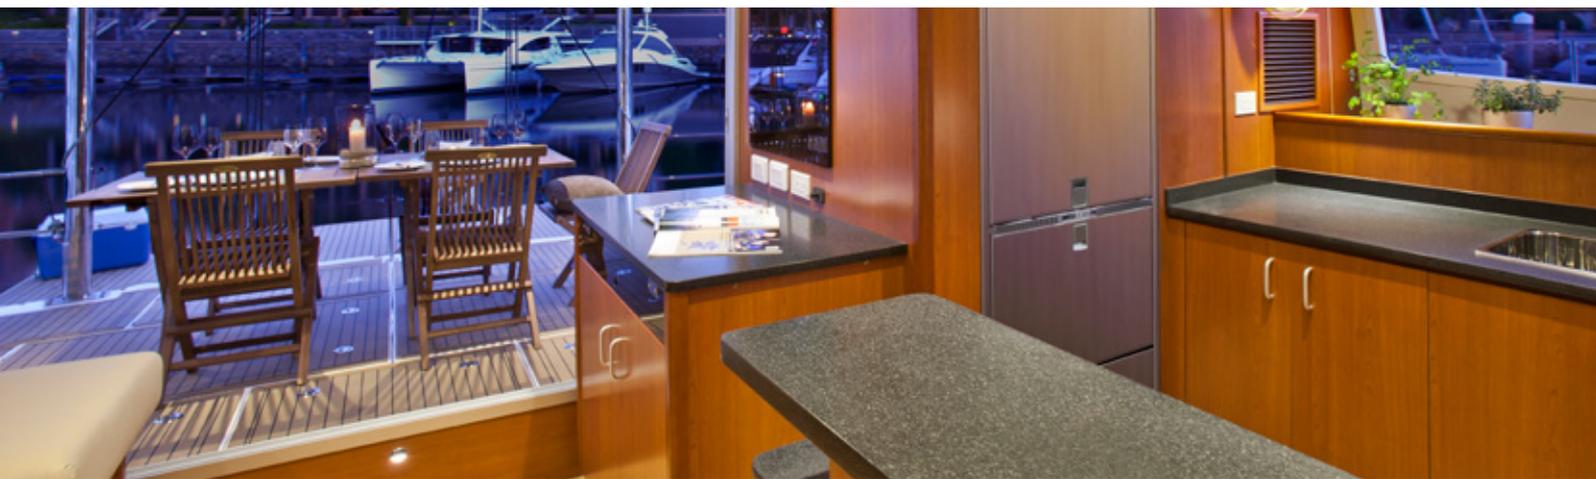

## The Luxurious Moorings 5800

---

From the modern lines to the proven craftsmanship, the Moorings 5800, built by the world-renowned Robertson and Caine, is in a class of her own. This yacht comes equipped to meet all of your sailing needs. With an expansive flybridge, spacious cabins, plenty of outdoor and indoor living space and many additional features, this yacht is truly unmatched in quality, sailability, and beauty.

# 5800

The fly-bridge is the perfect 360-degree lookout for helmsman and guests. It is unrivaled in other production catamarans. This area provides an extension of outdoor living space. With U shaped seating for up to 10, this location is perfect for lounging, cocktails or meals. The flybridge is also equipped with an outdoor kitchen area complete with sink, fridge and grill.

To add to the outdoor living space, the Moorings 5800 also features a large aft cockpit. Removable table and chairs provide seating for up to 10. Both table and chairs can be stored in the lockers, opening up the area to allow for a large open space. This area, along with the flybridge and the forward cockpit, is beautifully finished with high impact composite teak decking. The hydraulic platform also adds space and doubles as a swim platform at anchor and functions as a lift for the tender securing it while underway.

## 5800

---

The interior of the 5800 does not disappoint. The sheer scale of the open space combined with her ergonomic appeal and attractive finishes, provide both luxury and comfort.

The modern galley, with all the top-end appliances, is prepared for all of your culinary needs. The large Vitrifrigo front opening fridge with 2 drawer freezer provides all the room you will need for your food items. The galley also offers more than adequate storage, durable counter tops, loads of prep space, 6 burner cook top with oven and broiler, convection microwave, a dishwasher to make clean up a breeze, plus all the necessities to make meal preparation a joy.

The chilled water air conditioning, usually found only in mega yachts, allows for individual stateroom temperature control. The entertainment system incorporates state of the art video, MP3, television and DVD entertainment. In addition to this, the clear Bose speaker system will bring a sophisticated and welcome sound to any event on your yacht.

# 5800

The well laid out open saloon includes a large seating area and table with room for up to 10. The large panoramic windows let in plenty of natural light during the day, and soft overhead lighting fills the interior in the evening. Plush faux leather seating and beautiful cherry wood finishes combine to provide the perfect atmosphere to relax and enjoy your sailing experience.

Adding to the already wonderful interior of the Moorings 5800, the accommodations are exceptional. The 2 cabins located on the bridgedeck open directly to the forward cockpit. Large sliding doors allows visibility forward from the aft cockpit, saloon or galley. Below the main deck are 3 guest cabins, a crew cabin and 2 forepeak cabins. Large berths with soft foam mattresses provide the perfect escape for rest and relaxation. All cabins on this luxurious yacht feature en-suite heads. The large shower rooms and heads also feature Corian wash basins and a large separate shower stall with adjustable shower head. Also, the sea recovery water maker allows for ample water for the galley and showers.

# The 5800 Crewed Yacht Experience

---

The Moorings, an industry innovator in the crewed yacht charter business, started in 1969 launching its first yacht in the BVIs. Expanding through the Caribbean and beyond during the 70's and 80's, the center cockpit Gulfstar delivered many satisfied charter guests on a fully catered sailing holiday. Now, over 40 years later, The Moorings has grown, and now provides yachts, like the Moorings 5800, which can accommodate twice the number of guests than the original Gulfstar.

Owning the Moorings 5800 crewed yacht places you among a select few, as only a certain number of these amazing yachts will enter the fleet. The Moorings 5800 goes above and beyond your average sailing yacht, making it very different from any ordinary sailing experience. All crewed Moorings 5800's come with an expert skipper, a chef / crew mate, and, with 10 or more persons, a stewardess to tend to all of the guest's needs.

As the owner of a Moorings yacht you can choose to do as much, or as little, as you like. Even many experienced sailors take advantage of the amazing benefits of owning a crewed yacht. Among our list of charterers, an America's Cup winning skipper and Round the World Race Champion chooses a fully catered yacht every time!

While on your yacht, your personal chef prepares exquisite breakfasts, lunches, dinners and even high tea if you so choose. Prior to departure, the owner provides a preference list which will assist the crew in catering to all culinary tastes and dietary needs.

Your experience on your own Moorings yacht is fully catered including your full bar. Your only cost is the food and beverage you consume while you are on board, and that is measurable too! Everything is based on a nominal per person per day rate. Also, go ashore and explore the various towns and local attractions easily with the help of your skipper, who can taxi you to the beach or marina. When you are ready to return, simply contact them via your VHF. Your Moorings 5800 also comes completely equipped with a 14 foot RIB and 70 HP outboard. Other toys include water skis, stand up paddle boards, kayaks, fishing tackle and snorkeling gear.

All concerns of owning a charter yacht can be alleviated when purchasing a yacht through The Moorings. With over 40 years of experience, The Moorings is the undisputed leader in the industry delivering the best sailing vacations in the world. As a testament to this amazing program, nearly half of the yachts placed in service each year are purchased by a current owner. Some of them currently own their 6th or even 7th Moorings yacht. The experience a Moorings owner receives cannot be matched, and it is self-evident through all of our repeat customers.

While there are many benefits to owning a Moorings 5800, most would agree that the best part is, as an owner with The Moorings, you receive no calls from crew requesting money for repairs. Also, you are never hassled with renewing your insurance. To add to this, you pay no exorbitant dockage or moorage fees. Then, to top it all off, each month The Moorings transfers \$10,000 into your bank account, for a total of \$120,000 per year. There is no better way to own a yacht than through The Moorings Yacht Ownership Program.

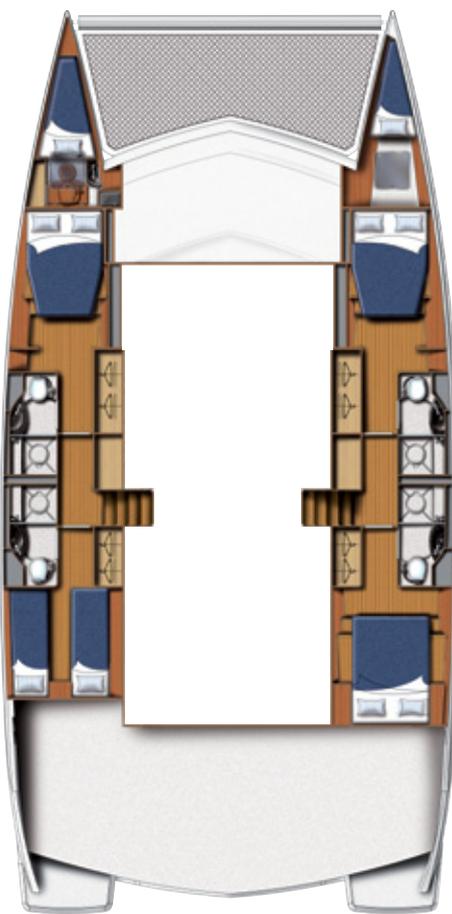

Travel the world in the most luxurious way possible on the Moorings 5800. This yacht combines the highest quality amenities, open indoor living area, and plenty of outdoor living space. Let the Moorings Yacht Ownership Program make this dream yacht your reality.
