VOYAGE 580

VOYAGE yachts

VOYAGE yachts, manufacturers of multiple award winning cruising catamarans, boasts its product range as stylish, elegant and performance oriented.

Known in the sailing world as blue water cruising catamaran builder, **VOYAGE yachts** builds with meticulous attention to detail and highest international standards.

The range of **VOYAGE yachts** products are CE certified and acknowledged for their quality, performance, ease of handling and low maintenance.

The VOYAGE 580

Voted as the **Best Cruising Multihull "Cruising World 2003"**, the **VOYAGE 580** is described as the **"Next Generation"** in luxury cruising yachts. The **VOYAGE 580** is designed and built for the discerning sailors that demand a safe, seaworthy and performance oriented vessel.

With its fine clean lines, outward and inner innovative design, the **VOYAGE 580** renders itself as a world class blue water sailing catamaran, setting standards in the cruising yachts, whilst at the same time was voted the **"Boat of choice"** by the **Charter Yacht Brokers Association in 2010**.

luxurious

King and Queen size berths with en suite bathrooms. Large open plan saloon/galley area with Alcantara lined ceilings. Spacious shaded cockpit. All elements that make for a superb cruising lifestyle.

elegant

Slender bows, sleek hulls, aerodynamic shaped coach roof creates the **VOYAGE 580's** distinguished, elegant profile.

innovative

Large cockpit with walk through to the stern platform makes easy and unmatched access to the water.

fast, powerful

The performance characteristics for which **VOYAGE** yachts have become known are attributable to the slenderness ratio of the hulls, overall beam and associated sail plan.

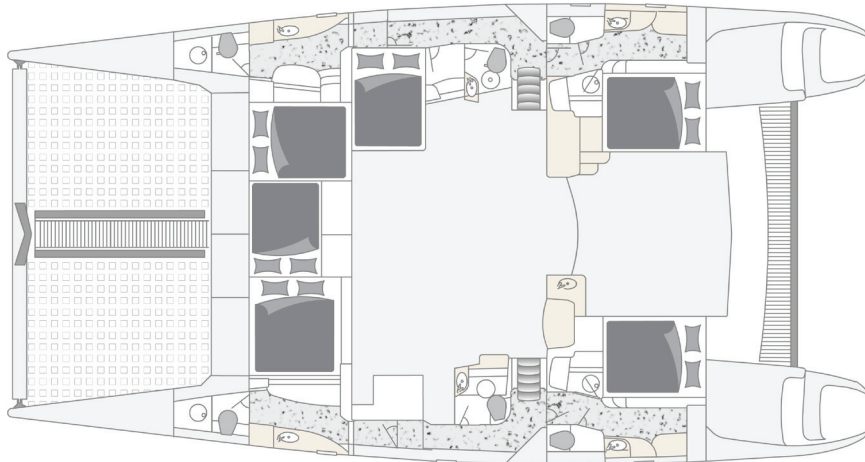

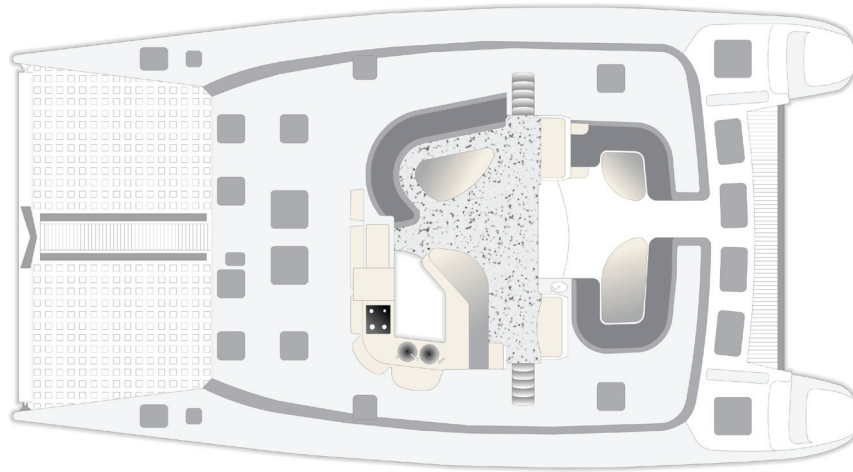

purposeful

Designed and configured as a premier charter vessel.

High quality low maintenance finished surfaces, as well as efficient accommodation configuration renders the **VOYAGE 580** not only pleasureable but also a feasible vessel for charter purposes.
