Yacht Damage Waiver & Security deposits

Sunsail clients have two options to cover themselves for accidental damage or loss.

Please note neither the Yacht Damage Waiver nor the Security Deposit cover any acts of gross negligence, such as damage occurred whilst sailing outside the defined sailing area and hours, sailing under the influence of alcohol or drugs, running aground or taking the yacht single handed as stated in the Sunsail Booking Conditions Customer Behaviour Section on page 96.

Option 1 - Yacht Damage Waiver

All bookings will automatically be priced to include the Yacht Damage Waiver option at the point of sale and on the booking confirmation. This payment is required to cover the possibility of damage to the yacht, or damage to or loss of ancillary equipment or damage caused by a third party.

The Excess of £300 will be taken at the yacht base upon arrival as part of the embarkation process. If damage occurs to a value lower than the excess you will be refunded the amount less the cost of repair. If the damage incurred exceeds the excess, the payment will not be refunded and you will not be required to pay any additional costs upon disembarkation.

Option 2 - Security Deposit

Alternatively, you can opt to pay a Security Deposit at the base upon arrival as part of the embarkation process. This is a refundable payment of £3000, in equivalent currency before your embark and you will be liable for damage or loss incurred to the yacht and its ancillary equipment up to the maximum cost of £3000. If damage occurs to the value lower than the security deposit you will be refunded your payment less the cost of repair. If the damage incurred exceeds the security deposit value, your payment will not be refunded and you will not be required to pay any additional costs.

Please refer to the Booking Conditions for additional information on the equipment and Sunsail's Third Party Yacht Insurance cover of up to \$10 US million.

Option 1	£24	£26	£28	£300	£300
Option 2	£0	£0	£0	£3000	£3000

Fuel Options

All bookings for a yacht charter will automatically be priced to include the standard fuel option at the point of sale and on the booking confirmation. It gives you peace of mind and is convenient as you are not required to return the yacht with a full tank of fuel.

Alternatively, you can opt to pay for your fuel locally but you MUST ensure your yacht is returned to the base with a FULL TANK. This option is not recommended in many of our bases as there are no opportunities to refuel before returning to the base to commence disembarkation process whilst chartering.

Group Seating

If you are flying with Thomson Airways we can arrange to pre-book your seats. The party needs to be travelling under the same booking reference and the cost is from £6.00 per child, £12.00 per adult.

Racing Regattas

Sunsail clients choosing to participate in sailing regattas will be required to pay a non-refundable race supplement in advance plus a refundable security deposit payable at the base for rigging or collision damage. This is payable by credit or debit card in addition to the relevant Yacht Damage Waiver. All clients planning to participate in a sailing regatta are required to obtain prior consent from Sunsail. Please call the sales team for more details of the individual Regattas available and the relevant terms associated to each. Please note the race supplement is a charge omitted from any discount.

Visa, Passport and Travel documentation

Whilst we are able to provide basic advice to clients regarding passports and visa requirements, you should check with the appropriate Embassy, Consulate or British Foreign Office for the exact requirements for your chosen tour and date of travel. It is your responsibility to ensure that you have the correct passport and visas to gain access to any country/region included in the travel arrangements which you purchase from us. If you fail to do so, we have no liability to you for any cost, loss or damage which you suffer, nor will we refund you the cost of any unused portion of your travel arrangements. In some cases, countries will refuse entry to clients who have criminal records. Should you be concerned about this, please check with the embassy or consulate of the countries to which you are travelling. The lead name is entirely responsible for ensuring that all members of the group have the correct and valid documentation for travel. We cannot accept responsibility for any failure to comply resulting in any costs or fines being incurred and we advise you to check with your passport office or the consulate in question if you have any queries. Clients travelling overland to certain destinations may need to also pass through controls of other countries en-route so this should be allowed for with any passport/visa applications. When travelling to the US you must have the correct passport to travel on the Visa Waiver Programme or have obtained the correct visa, valid for your stay. Each person wishing to visit the US must have either; i) an e-passport (if your passport is issued after 26 October 2006), or a machine readable passport (containing a digital photograph) if your passport is issued after the 26 October 2005 and a Visa Waiver Form or ii) a valid passport and a valid visa which must be obtained before travel from the US authorities. If you are travelling to the USA, the US authorities have introduced a requirement for passengers travelling under the Visa Waiver Programme to register for Electronic Travel Authority. For additional specifics about the VWP please consult the VWP information on the U.S. Embassy London website www.usembassy.org.uk. We recommend that you carry your ESTA approval with you when you travel and recommend you register at least 72 hours before departure. Please Note: when you register for ESTA you must have a valid passport at the time of registration. If you have applied for a post dated passport (for example to reflect a change in name) this passport will not be valid until the effective date noted in the passport. Children and minors wanting to travel with a Visa Waiver form must hold their own Machine Readable Passport or e-passport. Please note that the nationals of some countries can only travel to the US if they have a valid visa as they are not eligible for the Visa Waiver Programme.

Health

We are able to advise on mandatory health requirements; however, we are not medical experts. It is your responsibility to ensure that you obtain proper and detailed medical advice at least two months prior to travel for the latest health requirements, recommendations for your destination and any costs. Where you do not do so and either are not allowed to enter any country, or suffer personal injury or death as a result, we have no liability to you for any cost, loss or damage which you suffer nor will we refund you the cost of any unused portion of your travel arrangements. Clients with existing medical problems, pregnant women and anyone who has recently visited other countries should check requirements with their general practitioner.

When assessing whether our holidays will operate we use information from our local offices in conjunction with advice from the British Foreign Office and other relevant government bodies. It is your responsibility to acquaint yourself with the travel advice provided by these government bodies.

At the time of publishing this brochure no compulsory vaccinations were required for British Citizens visiting any of the destinations featured in the Sunsail brochure, however some precautions such as malaria tablets and typhoid immunisation may be recommended for travel to some of our destinations. We strongly recommend that you refer to the Department of Health's 'EHIC and health advice for travellers' web page at www.dh.gov.uk or consult your family GP for further details.

If you are a UK resident you are entitled to reduced-cost, sometimes free medical treatment that becomes necessary while you're in a European Economic Area (EEA) country. You can apply for a European Health Insurance Card (EHIC) online, www.dh.gov.uk/policy, by phone 0845 606 2030, or by post using a pre-addressed envelope from the Post Office.

Infants

An infant is defined as a child under 2 years of age on the date of their return flight. A charge of £70 for one week and £100 for two weeks is charged for all infants travelling onboard Sunsail's committed flight program with Thomson Airways. Infants under 2 years of age will not be entitled to a seat on the aircraft, will not have an in flight meal and do not have baggage allowance. Infants under 6 months must sit on an adult's lap and must wear an infant lap strap. Infants under 2 years old must sit on adults lap secured by an extension seat belt provided by the airline. If an additional seat has been purchased by the infant a car seat may be used and dimensions and regulations must be confirmed with the airline. If an additional seat has been purchased for an infant the relevant child or per person price will be charged less any applicable child discounts.

Expectant Mothers

All expectant mothers should carry a medical certificate confirming the stage of pregnancy for the homeward flight and confirming fitness to fly. Please check your insurance policy for any restrictions. The airline policies allow expectant mothers to be accepted for carriage up to the end of the 34th week.

However, you must check with your GP/midwife that they are happy for you to travel where your flight takes place after the 28th week of which notification of travel must be given.

If you are travelling with Thomson Airways please contact their Customer Support Team on 0870 757 2757.

APIS - Advance Passenger Information Service

At time of booking your holiday you are required to provide Sunsail with all the information to conform with the APIS scheme as levied by the airlines. Names provided by you will be used to issue your flight travel documentation and must match exactly as it's shown on your passport. Failure to do so may result in a member of your party being refused for travel.

APIS is also required to conform with local port police regulations in order to issue charter license papers required as part of embarkation process. Failure to do so may result in a delay upon arrival and embarkation process and boarding refused.

Weather

The wind and sailing conditions shown in our brochure give you a guide of the conditions to expect. Please bear in mind however sailing experience should be taken into consideration as conditions can vary.

A Sunsail inclusive Package Holiday

A Sunsail Flight Inclusive Package Holiday includes a flight, a transfer and a boat. Sunsail will book seats from its committed flight programme, if this allocation is full Sunsail can arrange additional seats to be booked on the same flight subject to availability. Please note that additional seats may incur a supplement on your flight inclusive package price as the cost of airline seat can increase during the season. Should you wish to book alternative flights Sunsail can assist for all our destinations and Sunsail will book these directly with the airline.

In accordance with EU Regulation 21/11/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. Sunsail committed flight program from/to the following destinations:

WINTER 10/11 & Summer 2011	Day	Airline
London Gatwick to Bodrum, Turkey	Thursday	Thomson Airways
London Gatwick to Volos, Greece	Friday	Thomson Airways
London Gatwick to Antigua, Caribbean	Friday	Virgin Atlantic
Antigua to Tortola, Caribbean	Friday	Liat
London Gatwick/ Manchester to Dalaman, Turkey	Saturday	Thomson Airways
London Gatwick/ Manchester to Preveza, Greece	Sunday	Thomson Airways
London Gatwick to Dubrovnik, Croatia	Sunday	Thomson Airways

This flying programme is subject to change.

Sunsail has preferential rates with British Airways and Virgin Atlantic and both these airlines are Sunsail preferred carriers to the Caribbean.

We strongly recommend that our clients book early to avoid disappointment and guarantee the best airfares possible, if choosing alternative flights.

Please check with the airline regarding luggage allowance limits and the maximum allowable single item baggage weight. If you have a medical condition, serious illness, recently undergone surgery, or have suffered a recent accident, you must advise us and your airline and you may need to be cleared for travel by the airline which will involve obtaining a Fitness to Fly Certificate from your GP.

Connecting Flights

If you require connecting flights to meet your package booked by Sunsail we can arrange this for you subject to availability and price. We will arrange tickets with flexible terms and conditions. Your connecting flight will be subject to the airline terms and conditions (a copy of which can be provided upon request). Please note that Sunsail will be acting as agent in this transaction and your contract will be with the airline. Any issues with your connecting flight must be taken up by you with the airline.

Should you choose to arrange your own non-flexible tickets (usually cheaper with very strict restrictions) please note this is at your own risk and we cannot accept responsibility for any extra costs incurred due to changes in our committed flight program or delays.

Flight Timings

Flight times on your booking confirmation are not guaranteed. Airline schedules may alter occasionally causing a change to your flight timings and actual flight times will be confirmed on your flights tickets. In the event of any major changes we will try to advise you as soon as we have details.

Some flights may need to stop en-route. Where we know about this in advance we will advise you and this will be highlighted on your travel documentation. A night flight means one that departs the UK between 2200hrs and 0600hrs or arrives in the UK between 2400hrs and 0600hrs.

Flight Delays

It is regrettable, but flight delays may occur. Where the delay is caused by the airline, accommodation, food and refreshments may be provided by the airline. In addition if you have taken out Sunsails personal travel insurance with Europ Assistance you will be entitled to claim the following:

- £20 compensation for the first full 12 hours of delay
- £10 compensation for each subsequent full 12 hour delay up to a maximum of £100 per person in total.

A Sunsail Boat Only

You can simply choose to book a yacht charter. This does not include flights and transfers.

Where you have booked a boat only with Sunsail you will be sent an invoice which will detail your boat only price and other mandatory costs associated with chartering a boat from Sunsail and any additional extras.

Advance Registration

We may be able to advance register your holiday request before the release of airline schedules and relevant yacht fleet. Requests that are made more than 11 months in advance are subject to flight availability and prices. When you make a request you will be asked to pay a holding fee, however, neither party is legally bound to a contract until the booking and prices are confirmed and either party can withdraw without penalty up until the booking is confirmed. Once the fleet, airline schedule and or committed flight program is confirmed you will be given a priority option to book and advised accordingly of the yacht, airline, flight times and day of departure. If you confirm the booking, the holding fee will be transferred to a deposit. Should the final program not be suitable you can withdraw with a refund of the holding fee or you can move the holding fee to a deposit on an alternative holiday with Sunsail with no amendment fee charged. An invoice will be issued once flights and or yacht has been confirmed.

Late Bookings

This is a late holiday booked within 10 weeks of departure. Prices are set according to demand and may differ from any published price you may have seen. To guarantee the price advertised that day you must pay in full and provide all names and airline advanced passenger information as required at time of booking. We can not accept a Late Booking without this information.

A late booking fee will be charged for all bookings made within 14 days of departure to cover administrative costs that are occurred for ticketing. A late booking fee is £15.00 per person.

Disabled Travellers

For customers who require support or advice prior to booking, please contact the Sales Team on 02392 22 23 33.

Law & Jurisdiction

If you booked your holiday in any jurisdiction other than in Scotland or Northern Ireland (including any booking via the Internet), this contract, and any other claim or dispute arising from or related to this contract, will be governed by English law and the courts of England and Wales shall have exclusive jurisdiction over any claim arising out of it. If you booked your holiday in Scotland, this contract, and any claim or dispute arising from or related to this contract, will be governed by Scottish law and the courts of Scotland shall have exclusive jurisdiction over any claim arising out of it. If you booked your holiday in Northern Ireland, this Agreement, and any claim or dispute arising from or related to this contract, will be governed by Northern Irish law and the courts of Northern Ireland shall have exclusive jurisdiction over any claim arising out of it.

How to Book

To make a booking you can contact us in several ways; directly over the telephone, via our website or through an approved Travel Agent. The person making the booking (the 'lead name') must be 18 years old or over and possess the legal capacity and authority to make the booking and accepts these booking conditions on behalf of everyone in their party. You will be expected to pay a deposit at time of booking of 25% per person for a Sunsail Flight Inclusive Package Holiday and 25% when booking a Sunsail Boat Only Holiday. You may also be required to pay in full for any additional purchases such as flights and transfers. If you are booking within 10 weeks of departure full payment must be made. If we accept your booking, we will issue a Confirmation Invoice. A contract will exist between us from the date we issue the Confirmation Invoice or if you book within 7 days of departure the contract will exist when we accept your payment. When you receive the Confirmation Invoice please check the details carefully and inform us immediately if anything is incorrect.

Once a booking has been confirmed, offers and discounts cannot be applied retrospectively. The balance of the price of your holiday must be paid at least 70 days (10 weeks) before your departure date. If the balance is not paid in full by 10 weeks we will retain your deposit and cancel the booking. If you book through an agent, all contact with you will be via them.

Any payment made by credit card will be subject to a 2.5% including VAT (capped at £50 per transaction). We will not accept payment by cheque. There is no charge for debit cards.

Names on travel documents must exactly match those in your passports. Unless we are responsible for the mistake, we will not accept liability if an airline or other supplier refuses boarding because the name(s) shown in your passport differ from those on your ticket. Travel documents will be sent or emailed to you approximately 2 weeks before the departure of your holiday, and will not be issued unless payment of the due balance has been received and any bank transfers have cleared. We cannot accept any liability for tickets lost in the post. If you live outside the UK we will normally email any holiday information documents.

By accepting this Contract you, the Lead Name, must be over 18 and confirm that you and/or members of your crew are capable and competent to sail the yacht in the conditions and cruising area of charter in-line with port authority regulations advised at point of sale.

Your Holiday Price

The example prices in this brochure are in pounds sterling. Prices are accurate at the date of publication, but could have since changed. Prices shown in this brochure supersede all other prices in other material printed at an earlier stage. The prices shown in this brochure cover our flexible pricing program. The prices are a guide price only and show the minimum available for Sunsail Flight Inclusive Package Holidays and for Sunsail Boat Only Holidays shows prices by boat type and per person. Prices may change at anytime, for full quotes contact your sales agent or visit www.sunsail.co.uk. For full details on what's included, and the discounts available please refer to page 94 of this brochure.

Changes in transportation costs, including the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 30 days of your departure. We will absorb and you will not be charged for any increase equivalent up to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover any agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will have the option to change to another holiday if we are able to offer one. If this is of equivalent or higher price you will not have to pay more but if it is of lower price you will be refunded the difference for increases of more than 10%, or cancel and receive a full refund, less for any amendment charges.

Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice. Should the price of your holiday go down due to the changes mentioned above by more than 2% of your holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

Air Passenger Duty "APD" is included in the price of your Sunsail Flight Inclusive Package Holiday or flight ticket. In view of the current volatility of world oil prices, a fuel supplement may be added to the price of your holiday at the time of booking.

If you change or cancel your booking

The effect of changing your booking will be dependent on the type of booking which you have made. There are two types of bookings:

- Sunsail Flight Inclusive Package Holiday
- Sunsail Boat Only Holiday

Please note that certain costs will be refunded should you cancel the entire holiday (i.e. Yacht Damage Waiver, Air Passenger Duty tax, Yacht fuel supplement, Cruising taxes) before the cancellation charges are applied. Other travel arrangements e.g. many scheduled transport providers, the cancellation charge may be higher than those shown. In certain cases a 100% cancellation fee applies as soon as the booking is made and the ticket is issued. Please ask for full details of cancellation charges at time of booking. We strongly recommend you to take out insurance that includes cover against irrecoverable cancellation costs. Additionally, you will remain responsible for the full amount of your personal travel insurance premium and this will not be refunded in the event of your cancellation. You

may however be able to transfer this cover to another holiday. If you are travelling on a scheduled flight, we cannot give you any refund until we have received your old travel documents, including tickets.

All communications relating to this contract (in particular any requests to cancel or amend your holiday arrangements) must be from the Lead Name in writing and in English and delivered by hand, fax, email or sent by recorded delivery post to:

The arrangements for flights and yachts in this brochure are made many months in advance and it is sometimes inevitable that changes or cancellations may need to be made. We reserve the right to make such changes should they become necessary. Most of these changes will be minor and we will advise you or your travel agent of them at the earliest possible date. We also reserve the right in any circumstances to cancel your travel arrangements. For example, for some holidays

If after you have travelled we have to make changes to your holiday and such changes prove to be significant, we will make suitable alternative arrangements and compensate you if appropriate. If it is impossible to make suitable alternative arrangements or these are not accepted by you for good reason we will return you to your point of departure and if appropriate compensate you.

c) A change of yacht to a significantly lower standard

d) An alteration to your schedule time of departure or return by more than 12 hours

If we are unable to provide the booked travel arrangements and have had to cancel them before the holiday is due to start, you can either:

a) Accept our offer of a replacement charter of equivalent or higher quality (subject to availability)

b) Accept our offer of a replacement charter of lower quality (subject to availability) and we will refund the difference in cost.

c) Accept a full refund of the money you have paid.

If you accept a major change, or if we have to cancel your charter then in addition to any refund, we will pay you as a minimum, compensation in accordance with the amounts below. Accept where the major change is due to reasons of Force Majeure or where we have not obtained the minimum number of people to operate the charter. Children under 2 years are not entitled to any compensation.

In no circumstances will we cancel your holiday less than 2 weeks before the scheduled departure date except for reasons of force majeure (as defined below) or failure on your part to pay the final balance. We strongly recommend that you make no travel arrangements to your point of departure, make any connecting travel that is non-refundable or non-changeable or incurs penalties or incur any costs in respect of visas or vaccinations until such time as your travel itinerary has been confirmed. If you make such arrangements which you are then unable to use due to a change in your itinerary we shall not be liable to you for the cost of those arrangements. If we are forced to cancel your holiday after departure we will, wherever possible, make suitable alternative arrangements. If we are unable to make such alternative arrangements, or you reject these for good reason then we will return you to your point of departure and refund you for any unused services, if appropriate.

Circumstances amounting to "force majeure" include any event which we or the supplier of the service(s) in question could not even with all due care, foresee or forestall such as (by way of example and not by way of limitation) war, threat of war, riot, civil strife, industrial dispute, terrorist activity, natural or nuclear disaster, fire, acts of God, adverse weather conditions, and all similar events.

In February 2005 a new Europe-wide law relating to denied boarding, delays and cancellation of flights came into force. This law granted rights to passengers including in certain circumstances the right to cancel their flight and receive reimbursement of the cost of the flight from their airline. Full details of these rights are publicised at EU airports and are also available from affected airlines. However, you should note that reimbursement of the cost of a flight that forms part of your Sunsail Flight Inclusive Package Holiday is the responsibility of your airline and will not automatically entitle you to reimbursement of the cost of your holiday from us. Reimbursement of the cost of a flight where you have bought the flight is the responsibility of your airline and will not entitle you to any reimbursement from us. If your airline does not comply with these rules you should complain to the Air Transport Users' Council on 020 7240 6061 www.auc.org.uk

Customer Behaviour

You must accept responsibility for the proper conduct of yourself and any members of your party. Sunsail cannot be held responsible for under age consumption of alcohol. We reserve the right in our absolute discretion to terminate without further notice the holiday arrangements of any client who refuses to comply with the reasonable instructions or orders of the company staff, agent or other responsible person whose behaviour in their opinion is likely to cause distress, damage, danger or annoyance to other customers, staff, any third party or to property. Animals, restricted items and illegal goods will not be permitted on board. Upon such termination our responsibility for your holiday ceases and we shall not be liable for any extra costs incurred by you.

Disruptive passengers: The captain has authority over the aircraft and passengers at all times when they are boarding or on board. He/she may prevent you from travelling if you are considered to be unfit to do so, or if you pose a danger to the aircraft or passengers. The captain will exercise this right if, for example, you are found to be drunk before or after boarding, if you smoke on board or use threatening, abusive or insulting words or behaviour. In those circumstances, we or the airline may, at our reasonable discretion, terminate your holiday, and we will not be responsible for completing your holiday arrangements. Nor will Sunsail or the airline be liable for any refund, compensations or any other costs you have to pay.

Our Liability To You

Our obligations, and those of our suppliers providing any service or facility included in your holiday, are to take reasonable skill and care to arrange for the provision of such services and facilities. You must show that reasonable skill and care has not been used if you wish to make any claim. Standards of, for example, safety, hygiene and quality vary throughout the transport and destinations that your holiday may involve. Sometimes these standards will be lower than those which would be expected in the UK. The services and facilities included in your holiday will be deemed to be provided with reasonable skill and care if they comply with any local regulations which apply.

Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of 3 times the cost of your travel arrangements. Our liability in all cases will be limited in accordance with and/or in an identical manner to The contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract and any relevant international convention as detailed below. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.

You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at TUI Travel House, Crawley Business Quarter, Flemming Way, Crawley, West Sussex, RH10 9QL.

We shall have no liability where the cause of the failure to provide, or failure in, your holiday or any death or personal injury you may suffer is not due to any fault on our part or that of our agents or suppliers, because it is either attributable to you, or attributable to someone unconnected with your holiday and is unforeseeable or unavoidable, or is due to unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which neither we, nor our agents or suppliers could have foreseen or forestalled.

If any international convention applies to, or governs, any of the services or facilities included in your holiday arranged or provided by us, or provided by any of our suppliers, and you make a claim against us of any nature arising out of death, injury, loss or damage suffered during or as a result of the provision of those services or facilities, our liability to pay you compensation and/or the amount (if any) of compensation payable to you by us will be limited in accordance with and/or in an identical manner to that provided for by the international convention concerned (in each case including in respect of the conditions of liability, the time for bringing any claim and the type and amount of any damages that can be awarded). International Conventions which may apply include, without limitation: in respect of international air travel, the Warsaw Convention 1929 (as amended) or the Montreal Convention 1999; in respect of rail travel, the Berne Convention 1961; in respect of carriage by sea, the Athens Convention 1974; in respect of carriage by road, the Geneva Convention 1973; and, in respect of hotels, the Paris Convention 1962. For the avoidance of doubt, this means that we are to be regarded as having all benefit of any limitations of compensation contained in any of these

Conventions or any other international conventions applicable to your holiday. Other than as set out above, and as is detailed elsewhere in these booking conditions, we shall have no legal liability whatsoever to you for any loss or damage.

Please note that when you purchase a flight through Sunsail where Sunsail is acting as an agent your contract for the flight is with the airline and any problems or issues with the provision of your flight are the responsibility of the carrier and not Sunsail.

Please note that the timings of air, sea, road or rail departures are estimates only. These timings may be affected by operational difficulties, weather conditions or failure of passengers to check in on time.

Personal Injury Unconnected With Your Booked Travel Arrangements

If you, or any member of your party, suffer death, illness or injury whilst overseas arising out of an activity which does not form part of your package travel arrangements or an excursion arranged through us, we may at our discretion, offer advice, guidance and assistance. Where legal action is contemplated and you want our assistance, you must obtain our written consent prior to commencement of proceedings. Our consent will be given subject to you undertaking to assign any costs and benefits received under any relevant insurance policy to ourselves. We limit the cost of our assistance to you or any member of your party to £5,000. If your claim is successful then you must repay the amount of any financial assistance we have given you as soon as you recover it.

Equipment And Yacht Insurance Cover

Our equipment and yachts are comprehensively insured. Our policy provides full cover for the equipment and yachts and no less than \$10m US third party cover for your skipper and crew. Sunsail cannot be held responsible for any loss which you may suffer as a result of the insurers failing to indemnify any risk through you providing incorrect information of previous sailing experience when requested. A refundable security deposit (refer to page 92 for details) payable at the Sunsail base in equivalent currency, will be required to cover the excess for any damage incurred to the yacht or damage to or loss of ancillary equipment such as dinghy tender, outboard engine, windsurfer, ocean kayak and GPS. However, should damage or loss to yachts and equipment be caused as a result of not obeying Sunsail instructions, then he or she will be liable for the full amount of repair or replacement and any resulting costs. Adults will at all times be responsible for minors in their charge.

What If My Yacht Is Not Available?

Should your yacht not be available when you arrive through no fault of Sunsail (e.g. having been damaged by a previous client) Sunsail may substitute another yacht if necessary of a different type and in a different area but of similar or larger dimensions and facilities. If a yacht is not available then accommodation will be provided for you free of charge in a hotel of Sunsail's choice while repairs are carried out or an alternative yacht is provided. Should this happen you will be compensated under the "Sunsail Four Hour Guarantee".

Photography

An essential part of the success of our brochures is using photography that gives clients a true idea of the product, rather than using models. Photographers are occasionally in our cruising areas. If you have any strong objections to close up photography of yourself and your party, please indicate your feelings to the photographer at the time.

Brochure Accuracy

The brochure is prepared from information gathered prior to publication. Every care is taken to ensure that this information is still correct at the time of going to press (July 2010) but it has to be remembered that facilities may be withdrawn from Sunsail and holiday particulars altered as a result. These circumstances are regrettably beyond our control and we are unable to accept liability. Our Sales Team are instructed to advise enquirers of amendments which the company regard as significant. Sunsail shall be entitled to make any modifications it feels appropriate to the routes, yachts and the equipment provided at any time, without prior notice. Our Sales Team are often asked for information not contained in the brochure. However, whilst every effort is made to ensure that all information given is correct, Sunsail cannot however be held responsible if this should prove inaccurate, unless requested and answered in writing. Any changes or updates made to our products will be listed at www.sunsail.co.uk/brochure-amendments.

Building work: From time to time, expansion, redevelopment, building work and associated noise is unavoidable at our bases. Wherever possible we will notify you in advance and if we consider the work will have a significant effect on the enjoyment of your charter, you will be entitled to exercise the options outlined in the section headed "If We Change or Cancel your Charter".

Flight Notice, Flight Information and EU Blacklist.

This is a notice required by European Community Regulation (EC) No. 889/2002. This notice cannot be used as a basis for a claim for compensation, nor to interpret the provisions of the Regulation or the Montreal Convention, and it does not form part of the contract between the carrier(s), us and you. No representation is made by the carrier(s) or us as to the accuracy of the contents of this notice.

Air carrier liability for passengers and their baggage. This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention. Compensation in the case of death or injury. There are no financial limits to the liability for passenger injury or death. For damages up to approximately £109,000 the air carrier cannot contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it was not negligent or otherwise at fault. Advance payments. If a passenger is killed or injured, the air carrier must make an advanced payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than approximately £13,000.

Passenger delays. In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to approximately £4,500.

Baggage delays. In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to approximately £1,000.

Destruction, loss or damage to baggage. The air carrier is liable for destruction, loss or damage to baggage up to approximately £1,000. In the case of checked baggage, it is liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

Higher limits for baggage. A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints on baggage. If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within seven days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

Liability of contracting and actual carriers. If the air carrier actually performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time limit for action. Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis for the information. The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

In accordance with EU directive (EC) no. 2111/2005, Article 9, we are required to bring to your attention the existence of a 'Community list' which contains details of air carriers that are subject to an operating ban within the EU Community. The Community list is available for inspection at www.air-ban.europa.eu

Sailing Qualifications and Safety

As with other activity based holidays, watersports activities contain an element of risk. It should be understood that participation in these activities is your decision and at your risk. The skipper of a yacht has primary responsibility for the safety of the crew and craft at all times. By accepting this contract you, the lead name is confirming that you and/or members of your crew are capable and competent to sail the yacht in the conditions and cruising area of charter. Sunsail reserve the right not to hand over the vessel if, after inspection, it is of the opinion that the charterer is not, or may not be, competent to be in charge of the vessel. The skipper is responsible for assuring that he/she and the crew is competent to undertake the planned itinerary. The skipper must take note of safety information contained in any written material or delivered to the yacht and in chart briefings and is responsible for briefing the crew on this, the yacht and its systems. The skipper is responsible for checking the inventory and yacht systems before the yacht makes passage. Yachts may not be sailed single handed and the second crew member should be fit and qualified to RYA Competent Crew standard (or equivalent). In certain cruising areas, the second crew member must be over 18 years of age. Night sailing (except the UK) and partaking in any third party race is not permitted without written approval from Sunsail. In the interests of safety, Sunsail's staff may order a change to your itinerary, decide whether or not conditions are safe to use a craft or make a passage and whether this should be under power or sail. Sunsail reserve the right to instruct the charterer not to take the yacht out if Sunsail consider the weather conditions to be too dangerous. The charterer must return the yacht to the home port on the date and by the time specified on the booking form but agree not to take the yacht out in bad weather even if this may lead to the yacht not being returned by the agreed date. If it becomes apparent that the charterer is unable to return the yacht on the specified date then they should advise Sunsail accordingly but will still be subject to an additional charter fee for each day or part of day that the yacht is overdue. Upon return of the yacht the charterer shall hand the yacht over to an authorised member of Sunsail staff but Sunsail cannot accept that the vessel is free from defects that may not be immediately apparent. Any damage, incident or defect must be reported to Sunsail's authorised staff. In the event of any disagreement over damage or loss, the matter will be referred to a senior member of Sunsail staff. The charterer agrees not to carry crew other than those specified on the crew list, which must be submitted prior to the start of the charter.

At time of booking our dedicated sales agent will qualify your sailing experience inline with the relevant levels required for your chosen destination. Your declaration will be recorded to ensure we have the relevant experience logged alongside important advanced passenger information. You will have nominated your Skipper and 1st Mate and advised Sunsail of the qualifications held by these individuals. The lead skipper and 1st mate must ensure they travel with their relevant sailing certificates i.e. RYA, ICC or other. On the occasion that the Skipper or 1st Mate does not hold a formal RYA endorsed qualification Sunsail will provide a Sunsail Certificate which is required when sailing in Greece, valid for this purpose for this charter holiday only and issue as part of the travel documentation.

Please note that at the time of going to press it is compulsory to hold your ICC or RYA Day Skipper qualification when sailing in Croatia. These important documents must be presented with your passport to the Port Police upon requests.

The yacht charter we arrange for you must only be used by those people named on your Confirmation Invoice (or on any Amendment Invoice issued). You are not allowed to share your yacht or let anyone else stay onboard. See YDW and Security deposits page 92.

Participation requirements

All Clients are expected to satisfy themselves prior to booking that they are fit and able to demonstrate suitable sailing ability and competence to sail in the chosen destination described in this brochure. No unaccompanied minors (those under 18 years of age) can be accepted however. The minimum age for skippers is 18 years.

Anyone suffering from mobility impairment, illness or disability or undergoing treatment for any physical or medical condition must declare the true nature of such condition at the time of booking and make arrangements for the provision of any medication or other treatment which may be required during the holiday. Failure to make such disclosure will constitute a breach of these booking conditions and result in such persons being excluded from the holiday in which case all monies paid will be forfeit.

Special Requests

We will do our utmost to meet all special requests and we will confirm in writing if we are able to fulfil your request.
